**Abkürzungen der Bakteriennamen:**

**Aa**= Actinobacillus actinomycetemcomitans, **Pg** = Porphyromonas gingivalis, **Tf** = Tannerella forsythia, **Td** = Treponema denticola,  
**Pi** = Prevotella intermedia, **Pm** = Peptostreptococcus micros, **Fn** = Fusobacterium nucleatum, **Cr** = Campylobacter rectus, **En** = Eubacterium nodatum, **Ec** = Eikenella corrodens, **Cs** = Capnocytophaga sp.
